Some TLC and a little polishing will help this gem sparkle! Are you ready to have your sweat equity work for you? The solid, expanded two-family home just might be the one. Boy, it's hot! And there's still time to enjoy the yard right now. But as the weather turns cold, you can cozy up to the gas fireplace. The unique first floor layout includes a side-to-side family room with plenty of space for the whole gang. Attached one-car, basement garage. Convenient location close to transportation, schools, downtown shopping and restaurants.
